GENERAL EDUCATION—SANCTIONING OF AIDED SCHOOLS—REVIEW PETITION FOR DELETION OF "PALLIKUNNU" IN WYNAD EDUCATIONAL DISTRICT FROM THE FINAL LIST OF AREAS REQUIRING HIGH SCHOOLS—REJECTED—UPGRADATION OF R.C.U.P. SCHOOL, PALLIKUNNU—SANCTIONED—ORDERS ISSUED

GENERAL EDUCATION (F) DEPARTMENT

G.O. (Ms) No. 133/83/G. Edn. *Dated, Trivandrum, 30th July,* 1983.

Read:—1. Notification No. NS (1) 30170/82 dated 27-1-1983 of the Director of Public Instruction.

2. Review petition dated 9-2-1983 from Sri M. K. Kunhikrishnan, Nair, Manager, Echom Sarvodaya High School, P. O. Echom, Wynad District.

3. Letter No. NS (3) 56947/1983 dated 28-5-83 from the Director of Public Instruction.

ORDER

The review petition is for deletion of the place 'Pallikunnu' from the final list of areas where new High Schools are to be opened or existing U. P. Schools are to be upgraded.

The review petition was heard by Minister (Edn.) on 13-6-1983. The review petitioner as well as the rival claimant, the Corporate Manager, Diocese of Calicut were present for hearing.

The Corporate Manager, Diocese of Calicut, speaking in favour of having a High School at Pallikkunnnu, said that Pallikkunnu is a hilly area where Advasies and other backward tribes are settled in good number. Distance from the proposed site to the nearest High School is five kilometers, by road, and so it is necessary to open a new High School at Pallikkunnu. He added that the R.C.U.P. School, Pallikkunnu is under the Corporate Management of the Diocese of Calicut, and it is a well-run school also. He pointed out that during 1982-83, 167 students were studying in the 7th standard in the R.C.U.P. School and the number is sufficient for its upgradation. According to him. the Sarvodaya High School, Echome will not be affected by the upgradation of R.C.U.P.S., Pallikkunnu, because the number of Transfer Certificate's obtained by Sarvodaya H.S., from R.C.U.P.S. is negligible.

Shri M. K. Kuhikrishnan Nair, Manager, Sarvodaya High School, Echome, raised objection to the upgradation of R.C.U.P.S. at Pallikkunnu. He said that his school would be badly affcted by the upgradation of R.C.U.P.S. Pallikkunnu, as it was one of the feeder schools of Sarvodaya High School, Echome. He added that there is no educational need in the locality for opening a High School at Pallikkunnu. The objection petitioner has no objection to start a Girl's High School at the proposed side at Pallikkunnu. The local M.L.A. has also stated that if a new H.S. is sanctioned it may be started as Cirls High School.

The Director of Public Instuction is of the view that the existing U.P.S. at Pallikkunnu is a big one and only a few pupils get admitted in the new High School at Echome. He has, therefore, recommended the retention of the place in the list. The District Educational Officers report shows that the distance from the proposed High School to the existing Sarvodaya High School, Echome is 4.5 kms. by motorable road.

Considering the backward nature of the area and the recommendation made by the Director of Public Instruction the review petition is rejected.

In the circumstances the application of Corporate Manager, Corporate Educational Agency, Roman Catholic Diocese of Calicut, Bishop House, Malaparamba for the upgradation of the R.C.U.P.S. at Pallikkunnu is allowed for opening Cirls High School by the name Lourdu Matha High School, Pallikkunnu subject to the terms and conditions specified in G.O. (Ms) 67/83/G. Edn. dated 30-4-1983.

V. NARAYANAN ACHARI,

Abstract

General Education—Sanctioning of Aided Schools—Pangarappilly—Review petition filed under rule 2 (5) Chapter V of the Kerala Education Rule against its inclusion in final list—rejected—Sanctioning of new H.S. at Pangarappilly—Orders issued

GENERAL EDUCATION (F) DEPARTMENT

G. O. (MS) No. 134/83/G.Edn. *Dated, Trivandrum, 30th July* 1983.

Read:—(1) Notification NS1 30170/82 dated 27-1-1983 of the Director of Public Instruction.

(2) Review petitions dated 23-2-1983 and 7-4-1983 from Sri M. Ramankutty Nair, Manager, M.L.K.A.M.H.S. Elanad, Vennur P.O.

(3) Lr. No. NS (2) 52282/83 dated 21-5-1983 from the Director of Public Instruction.

(4) Lr. No. B5-2218/83 dated 24-4-1983 from the District Educational Officer, Chavakkad.

ORDER

The review petition of Sri M. Ramankutty Nair, Manager, M.L.K.A.M. High School, Elanad read as 2nd paper above is against the inclusion of Pangarappilly in the final list of areas published for opening High Schools.

The review petition was heard by Minister (Edn.) on 3-6-1983. The following persons were present for hearing:—

1. Shri M. Ramankutty Nair, Manager, M.L.K.A.M. High School, Elanad, Vennur P.O., Via, Pazhayannur
2. Fr. Alex, C.M.I. Provincial.

The review petitioner argued that the upgradation of the existing U.P. School at Pangarappilly will deplete the pupil-strength of M.L.K.A.M. High School. Majority of the pupils coming to M.L.K.A.M. High School will go to Pangarappilly. At present the total strength of M.L.K.A.M. High School is only about 360. Sanctioning of a High School at Pangarappilly would further reduce the strength in the M.L.K.A.M.H.S. The staff in the M.L.K.A.M.H.S. will be rendered surplus with division fall, if a High School is opened at Pangarappilly. Two major High Schools are there in the Chelakkara Panchayat even now.

Rev. Fr. Alex who has applied for a new High School at Pangarappilly strongly pleaded for the retention of the place in the final list. According to him the distance between Elanad and Pangarappilly is more than 11 Kms. He stated that at present there is no High School within the radius of five miles of Pangarappilly. The distance to Chelakkara Government School from Pangarappilly is six kilometres, but it has raised no objection to the proposed High School. Another nearest school to Pangarappilly is S.M.T.H. School, Chelakkara, 7 Kms. away from Pangarappilly. He also added that during 1982-83 out of 103 students who passed VII standard from Pangarappilly U.P.S., only 4 have gone to M.L.K.A.M. H.S., the manager of which is the review petitioner. During the year 1981-82 also only two Transfer Certificates were given to M.L.K.A.M.H.S. Therefore, there was no reason for the M.L.K.A.M.H.S. to object to the proposed High School at Pangarappilly.

The Director of Public Instruction in his letter read as 3rd paper above has recommended for the retention of the place in the final list. It is also seen from the report of the District Educational Officer, Chavakkad that the population of Pangarappilly and adjacent places warrants a new High School and that there is scope for a new High School there. The District Educational Officer has also stated that the argument of the Manager, M.L.K.A.M. H.S. that the proposed High School at Pangarappilly will adversely affect his school connot be accepted as the distance from his school to the proposed school is not less than 10 Kms.

In the circumstances the review petition is rejected. Sanction is accorded to open a new H.S. at Pangarappilly under the management of Rev. Fr. Alex, Provincial Devamatha Provincial House, Trichur, subject to the conditions stipulated in G.O. (MS) 67/83/G.Edn. dated 30th April 1983.

General Education—Sanctioning of Aided Schools—Aryampadam for H.S.—Review petition filed under rule 2 (5) Chapter V of the Kerala Education Rules against its inclusion in the final list—Rejected—Upgradation of Sarvodaya School at Aryampadam—Orders issued.

Read:— (1) Notification No. NS(1) 30170/82 dated 27-1-1983.

(2) Review petition dated 16-2-1983 from the General Manager & Inspector, N.S.S. Schools, Perunnai P.O., Changanacherry.

(5) Review petition from Sri K. Madhavan Nair, Manager, Sarvodaya U.P. School, Aryampadam, Puduruthy P.O.

ORDER

The review petition from the General Manager and Inspector of N.S.S. Schools read as 2nd paper above is against the inclusion of Aryampadam in the

final list of areas for opening new High Schools or upgrading existing U.P. Schools. The review petition was heard by Minister (Edn.) on 3-6-1983.

1. Shri K. Unnikrishnan, Headmaster, Sarvodayam U. P. School, Aryampadam

and

Shri P. N. Parameswaran Nair, General Manager and Inspector of N.S.S. Schools, Changanacherry were present for the hearing.

Shri P. N. Parameswaran Nair, the review petitioner, stressed the following points against starting a new High School at Aryampadam:—

Opening of a new High School at Aryampadam would adversely affect the Mundathicode High School which belongs to N.S.S. Corporate management. The distance to Aryampadam from Mundathicode High School is only 2.5 Kms. The educational needs of the area are fully met by the N.S.S. High School, Mundathicode for the past 40 years. The student-strength of Mundathicode High School has declined consequent on the opening of one high school at Thayyoor and one U.P.S. at Puduruthy. Opening of another High School at Aryampadam would further result in the reduction in student-strength and consequent retrenchment of staff in the Mundathicode High School. Further, Aryampadam U.P.S. is one of the feeding schools of Mundathicode High School. During the last year, due to the decline of student-strength in the Mundathicode High School, three teachers have to be given the benefit of protection. The Mundathicode High School has got five acres of land. It has also got sufficient accommodation facilities.

Shri K. Unnikrishnan, Headmaster, Sarvodayam U. P. School, Aryampadam argued in favour of opening a high school at Aryampadam. He stated that Mundathicode village is the largest village in the Mundathicode Panchayat. The said Mundathicode N.S.S. High School is in Ward No. II and the site for the proposed new school is in Ward No. IX of Mundathicode Panchayat. Road distance between Mundathicode High School and Aryampadam is four Kms. (He has produced a certificate issued by the Assistant Engineer, P.W.D. (B & R.), Wadakkancherry in which it is stated that the distance between Mundathicode High School and the S.U.P. School Aryampadam Puduruthy is about four Kilometres along the P.W.D. road). According to Shri Unnikrishnan the Mundathicode High School is already overcrowded and so there is nothing wrong in opening a new High School at Aryampadam which is almost in the central place of Mundathicode Panchayat. He further stated that there is a harijan colony at Aryampadam and therefore, the harijan students would be most benefited, if a high school is opened at Aryampadam.

The Director of Public Instruction in his letter read as fourth paper above, has recommended retention of the place 'Aryampadam' in the final list. It is seen from the report of the District Educational Officer read as 3rd paper above that the distance from the existing nearest High School to the proposed site is not less than three Kms. According to him a new High School at Aryampadam is not likely to affect adversely, in the long-run, the existing N.S.S. High School, Mundathicode. Therefore, the review petition is rejected. The application of Sri K. Madhavan Nair, Karumathil House, Puduruthy for upgrading the school by the name Sarvodaya School at Aryampadam during 1983-84 is allowed. Subject to the terms and conditions specified in G.O.(MS) 67/83/ G. Edn. dated 30-4-1983.
